PRIVACY POLICY

[SL] Auth. Mobile APP

(Effective Date November 29, 2024)

This Privacy Policy is meant to help you understand what user data Security Lab LLC ("we") collects, why we collect it, and how you can update, manage, export, and delete it.

Security Lab LLC built the [SL] Auth mobile app ("APP") as a free APP. This APP is provided by Security Lab LLC at no cost and is intended for use as is.

This Privacy Policy is intended to inform users regarding our policies related to the collection, use, and disclosure of personal information when using our APP. If you decide to use our APP, you agree to the collection and use of information in accordance with this Privacy Policy. The information we collect is used to provide and improve the APP. We will not use or share your information with anyone except as described in this Privacy Policy.

INFORMATION COLLECTION AND USE

1. We do not collect any personally identifiable information. We do not track or collect any sensitive information about you, and we do not use any data to build personal profiles. Any information collected by the APP is solely used for improving the functionality and performance of the APP, and it remains anonymous and non-identifiable.
2. If you use our APP, we also may collect the following information if you choose to provide us with access or permission. We may request access or permission to certain features from your mobile device, including your mobile device's camera. If you wish to change our access or permissions, you may do so in your device's settings. We do not transfer any data from your device's camera to us.

LOG DATA

3. In the event of an error in the APP, we collect data and information (via third-party services) on your device, known as Log Data, with your consent. This may include your user data such as your device's Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing the APP, the time and date of your use of the APP, and other statistics.

COOKIES

4. Cookies are small files that are used as unique identifiers and are sent to your browser from the websites you visit.
5. Our APP does not explicitly use cookies.

PROVIDERS

6. We may employ third-party companies and individuals for the following purposes:
to facilitate our APP;
to provide the APP on our behalf;
to perform APP-related services; or
to assist us in analyzing how our APP is used.
7. These third parties may have access to your Log Data to perform the tasks assigned to them on our behalf. However, they are obligated to provide the same or equal protection of user

data as stated in this Privacy Policy and required by applicable guidelines, and are prohibited from disclosing or using the information for any other purpose.

DATA SECURITY

8. We value your trust in providing us with your user data. We strive to use commercially acceptable means of protecting it. However, please be aware that no method of transmission over the Internet, or method of electronic storage, is 100% secure, and we cannot guarantee absolute security.

LINKS TO OTHER SITES

9. This APP may contain links to third-party websites. If you click on a third-party link, you will be directed to that site. Please note that these external sites are not operated by us, and we strongly advise you to review their Privacy Policies. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party websites or services.

CHILDREN'S PRIVACY

10. Our APP is not intended for use by children under the age of 18. We do not knowingly collect personally identifiable information from children under 18. If we discover that a child under 18 has provided us with personal information, we will take immediate steps to delete that information from our APP. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we can take the necessary actions.

YOUR DATA PROTECTION RIGHTS

11. Under data protection laws, you have certain rights regarding your personal data, including the right to:
 - **Access** the personal data we hold about you. You can request information about the personal data we process in accordance with the law.
 - **Rectify** any inaccurate personal data. If the information we hold about you is incorrect or outdated, you can request a correction in accordance with the law.
 - **Request the deletion** of your personal data under certain circumstances. You may request the erasure of your personal data in accordance with the law. Your right to erasure depends on whether the data is still necessary for us to fulfill our legal obligations.
 - **Object to or restrict** the processing of your personal data. You have the right to object to the processing of your data at any time for reasons related to your particular situation. In accordance with the law, you also have the right to request a restriction on the processing of your personal data.
 - **Withdraw your consent** to the processing of your personal data, where applicable. You can withdraw consent to the processing of your personal data if we rely on consent as the legal basis for processing.
12. To exercise these rights, please contact us at the following:
Email: info@securitylab.by
Address: 220007, Minsk, st. Mogilevskaya, house 1, 12th floor, room 17 (BC «Ajax»).

13. If you believe we have not complied with data protection regulations when processing your data, you have the right to file a complaint with a supervisory authority (National Personal Data Protection Center of the Republic of Belarus).

CHANGES TO THIS PRIVACY POLICY

14. We may update this Privacy Policy periodically. You are advised to review this page regularly for any changes. Any updates will be posted on this page, and the "Effective Date" at the top of this page will be revised accordingly.
