## LOADING AND UNLOADING PASS

### THE LOADING AND UNLOADING ZONE IS AROUND THE PERIMETER OF THE PAVILIONS

- To access the **Loading and Unloading Zone**, you need to have a **paid** Loading and Unloading Zone pass.

You can email [Service2@Crocus-Expo.ru](mailto:Service2@Crocus-Expo.ru); [Service3@Crocus-Expo.ru](mailto:Service3@Crocus-Expo.ru) specifying the number and type of the pass needed as well as attach the company's bank details or purchase them in the service center of the pavilion.

- Paid Loading and Unloading Zone pass will be valid for **1 vehicle** and allow one-time entry during the period of set-up and dismantling.
- There is no replacement of the pass if the car has to be changed!

The Loading and Unloading Zone pass type (light vehicle, light vehicle with a trailer, heavy vehicle) will depend on the vehicle type specified in the Vehicle Registration Certificate.

## HOW TO OBTAIN A WORK PASS?

- On a company's letterhead, prepare and certify a letter for obtaining work passes, which shall contain names of all persons involved in buildup process, as well as their passport information.
- Submit the letter to the Service Center in your pavilion. Based on the application, the Crocus Expo employee will issue Work passes. In order to enter the pavilion, all persons enlisted in the letter for obtaining work passes shall have ID documents with them! If one has already obtained the Exhibitor's Badge, no WorkPass is required.

\* Constructors shall obtain Work Passes on their own through BuildExpo!

**Important! It is strictly prohibited to enter the pavilion using Work Pass during the Exhibition! If the driver is to take part in the loading/unloading process, he/she shall be supplied with the Exhibitor's Badge or Work Pass. No Power of Attorney is required to collect the said documents in the Organiser's office!\*\* To clarify the procedure for collection of documents related to services provided within Crocus Expo, please call:**

**Pavilion 1: +7(495) 727-2626**

**Pavilion 2: +7(495)727-1138**

**Pavilion 3: +7(495) 727-2524**

## WHAT EXHIBITS REQUIRE ADDITIONAL APPROVAL FROM CROCUS EXPO?

LCD/Plasma screens with over 28

Projection equipment

Sound amplification sets with power over 150W

Video-walls (ORION, LED screens etc.)

Light sources (incl. mobile lighting constructions and display windows)

- To approve audio and video equipment, please provide a list of the equipment to be moved in or an application to BuildExpo, which shall be accompanied by TORG-12 delivery notice or OS-6 accounting form.
  - If you have no such forms, approval process will be performed in return for a fee. To get a paid approval, please provide your company's bank details along with the equipment list in order to be issued an invoice.

- \*At the time of admission, please stamp documents confirming approval in the BuildExpo office located at the back of Pavilion 1.

For more detailed information about the approval process, please [click here](#).  
For more detailed information about approval for constructors, please address: BuildExpo,

Tel.: + 7 (495) 727 26 71  
E-mail: [ingener@buildexpo.ru](mailto:ingener@buildexpo.ru)

## WHAT EXHIBITS REQUIRE ADDITIONAL APPROVAL?

If you are planning catering at the stand, please inform the organiser 1 month in advance.

**Please send us the following information:**

[Stand Number]; [Name of your catering company]; [Catering brief description]; [Alcohol (yes/no)]  
to Catering1@ite.goup for **Alexey Kovalevich**

You can order catering service in ITE Group. Find out more info in tech. manual, p.29

**Cooking and organization of degustation at the stand is possible only by agreement with the Organiser and subject to the following requirements:**

1. only electric stoves, ovens, etc. may be used for cooking at the exhibition.
2. the booth must be equipped with a professional cooker hood with filters to neutralize unpleasant smells.
3. no open fire, smoke or pungent unpleasant smells are allowed.
4. the participant is obliged to comply with the Fire Safety Rules. Any deviations from these Rules are allowed with the written permission of the employees of the Crocus IEC Fire Department.
5. degustation must be organized in compliance with sanitary norms.  
The participant must ensure that garbage is disposed of, and that the stand and adjoining passes are kept clean.
6. in case of complaints from other participants, the Organizer has the right to suspend the cooking and degustation process.

## HOW TO BRING INTERNATIONAL CARGO TO THE STAND?

follow the instructions of the official freight forwarder/customs clearance DMW EXPO. Every exhibition center has official customs offices. Any client sending goods with any agent other than DMW EXPO must have their goods cleared by that office. If shipping exhibition goods directly, please get the address and sender's instructions from DMW EXPO. If a shipment is addressed incorrectly, the exhibitor risks not receiving his goods due to impossibility of customs clearance.

**DO NOT SEND GOODS BY COURIER!**

**Contacts of DMW EXPO**  
Marina Filippova  
+7 (915) 224-47-27  
marina.filippova@dmw-expo.ru

**Official freight forwarders and customs  
representatives of Crocus Expo**  
<http://www.crocus-expo.ru/services/expeditors.php>

## PLEASE DO THE FOLLOWING PRIOR TO BUILDUP

- You cannot clean your stand **using technical means** (e.g. vacuum cleaners, Kaercher, etc.) during the Exhibition (allowed during buildup period only), as well as use services of third-party companies for cleaning. To order cleaning services, please fill in the form provided by ITE or go to the Service Center. On the last day of installation from 16:00 work is allowed only within the stand, and any garbage must be utilized.
- You **cannot use your own cranes and/or loading devices**: you may only use your own wheeled cart, pallet jacks, and truck with tail lifts. You may book a wheeled cart at the Service Center if needed
- You shall **not stay in the Loading and Unloading zone** longer than permitted: 1 hour per passenger car and 2 hours for a truck. If the time is not sufficient, please drive out and then drive in again to restart the timer
- You are **not allowed to setup/dismantle your stand during the Exhibition**. All installation work shall be finished before the buildup period end date. Setup of lighting equipment, power sockets, and stickers at the stand is also an installation!
- You may **not use lighting equipment** not approved by **The General Builder of Crocus Expo Exhibition Complex**
- You may **not use audio and video equipment** not approved by **The General Builder of Crocus Expo Exhibition Complex**
- It is **not allowed to use catering** services not approved by the Organiser
- It is **forbidden to create noise** over 75 dB. Any event attracting huge amount of people to your stand shall be approved by the Organiser
- You shall **not use aerial devices** (e.g. quadcopters), as well as scooters, monowheels, segways, hoverboards, and other vehicles within the exhibition area
- You may **not hand out promo materials without a promoter badge** and use technical means (e.g. robots) for marketing and advertisement purposes outside the rented space
