

## Privacy Policy

This policy is effective as of 2020-06-07

Timur Rogozin built the Capoeira Daily app ("Capoeira Daily", "we", "us") as a Free app. This service is provided by Timur Rogozin at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Capoeira Daily unless otherwise defined in this Privacy Policy.

### Information Collection and Use

For a better experience, while using our Service, I may require you to provide us with certain personally identifiable information, including but not limited to: first name, last name and unique identifiers assigned by third party platforms (such as analytics).

The app does use third party services that may collect information used to identify you.

I want to inform you that whenever you use my Service, in a case of an error in the app I collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing my Service, the time and date of your use of the Service, and other statistics.

### Registering with Facebook or Google

We also offer you the opportunity to link your account to your Facebook, VK or Google account. You will then be forwarded to Facebook, VK or Google (where you must be logged in or require an account) and receive an explanation of which of your data we need from Facebook, VK or Google, namely your public profile information such as first and last name, and the photo you are using there. This information is required for identification purposes in case you'll use our app from other device. That's how we recognize you and you'll not lose our training progress. We tell that you have logged in using Facebook, VK or Google. We will not submit any information on you to Facebook, VK or Google without your consent.

Important: We do not record your Facebook or Google login data in any way, and cannot post anything to your Facebook or Google profile without your having expressly consented to this.

You can learn how Facebook handles privacy settings using Facebook's privacy policy <https://www.facebook.com/policy> and terms of use <https://www.facebook.com/legal/terms>; these also include the applicable conditions for the previously specified option of logging in and registering to

Freeletics. You can learn how Google handles privacy settings using Google's privacy policy <https://policies.google.com/privacy> and terms of use <https://policies.google.com/terms>; You can learn how VK handles privacy settings using Google's privacy policy <https://vk.com/privacy> and terms of use <https://vk.com/terms>.

### **Access rights**

We require access to your camera or your photos for the purpose of taking photos for profile.

### **Amplitude**

We use the Amplitude service on our app in order to derive application behavioral analytics. We use that information to see how users interact with our app.

You can view Amplitude's privacy policy here <https://amplitude.com/privacy>.

### **Security**

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

### **Changes to This Privacy Policy**

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.
