

# Yandex Cloud 2022 Logo and icon

## Logo

The main version of our logo is linear. Only use a gradient for large sizes.

[Download files](#) in .svg and .png formats

# Yandex Cloud

---

## Cloud

For cases when the width of the layout cannot fit other versions of the logo

Monochrome logo

Use in photographs and when the background is not a solid color or white.

**Yandex @ Cloud**

**Y @ Cloud**

Text logo

Use in cases when it is better to omit the logo, e.g. to save space.

# Yandex Cloud

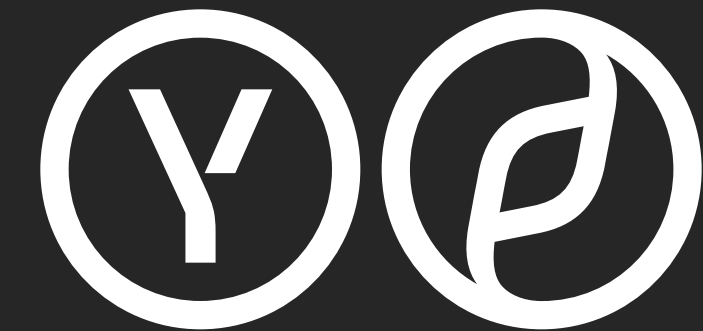

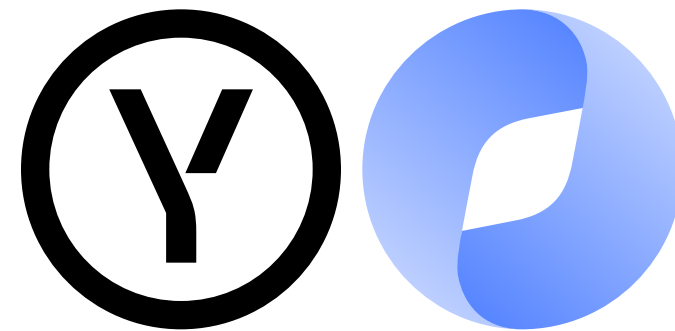

**Yandex  
Cloud**

**Yandex  
Cloud**

For cases when the width of the layout cannot fit other versions of the logo

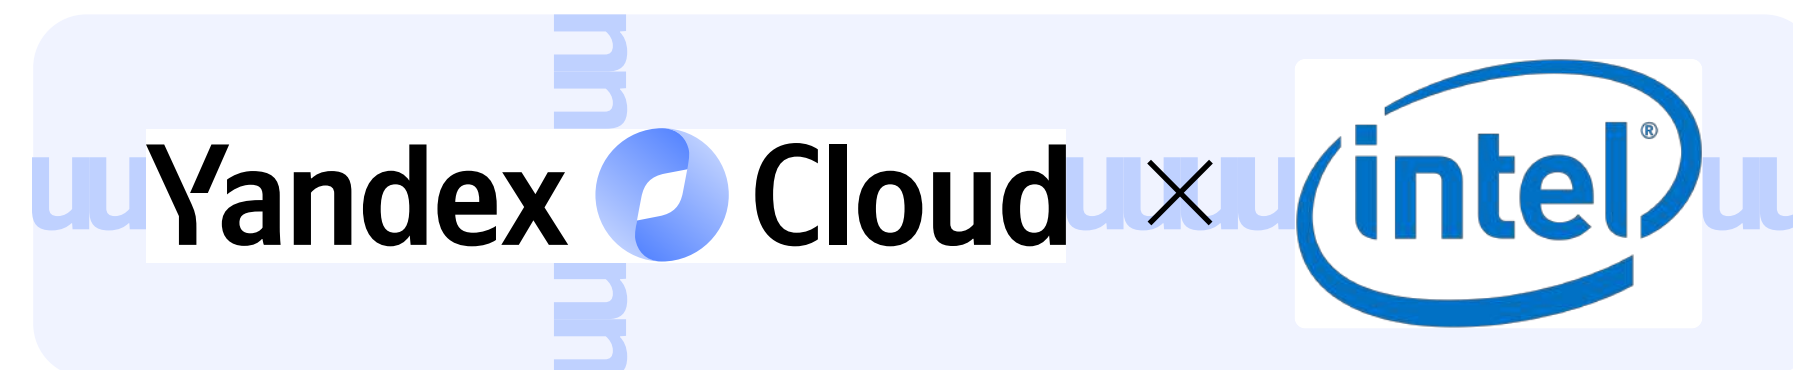

## Cloud logos

Only to be used independently after the main logo or Yandex Cloud have already been used.

## Protection area

Yandex Cloud's logo and a partner company's logo can appear together in proportional sizes, surrounded by a protection area.

Dichromatic logo

In smaller formats, as well as for printed materials, use an icon without gradients.

Font

## Font

Use the branded YS Text font in Yandex Cloud layouts.

Within an offer, the name of the service is written in the same font as the main text.

Header

# Regular / Medium

Main text

## Create digital services on the Yandex Cloud platform

## Font

Use the branded YS Test Regular and Medium fonts in branded layouts.

Header

Regular / Medium

A large, bold, lowercase letter 'a' in a rounded, sans-serif font style. The letter is black and centered on a light blue background.

Main text

Regular

A large, bold, lowercase letter 'a' in a rounded, sans-serif font style, identical to the one on the left. It is black and centered on a medium blue background.
