‘International Adolescent Health Week’ expresses its gratitude for the cooperation to the Project ‘Pro Resident of Planet’ (Проект “Профессиональный житель планеты”) for taking part in celebrating the ‘International Adolescent Health Week 2022’.

Thank you very much for your kind help and support that you provided us.

The support of individuals and organizations such as you is critical to helping IAHW succeed in our mission to inspire adolescents and their communities to advocate for a successful transition into adulthood.
