

## Characteristic of Irina Azarova, an English and French teacher, Russia

The English and French teacher Irina Azarova works at Roshchinski State School, Russia and organizes her lessons using the method of projects, debates technology, role-playing, problem-based learning and ICT. At all levels of foreign language training she involves students in the design and research activities in the classroom and in extracurricular activities based on personal interests and needs of each child. She belongs to the category of the teachers who are constantly improving their pedagogical skills. Irina Azarova is actively involved in the life of the town and region. She is the leader of the innovative project "Development and testing of new teaching materials in English with the use of computer programmes." Irina Azarova is the winner of many national and international competitions. Irina is the author and organizer of the international competition "Knowledge Forum" for the students from the eighth to eleventh grade. Irina is a bright woman, she is interested in sports. She is an active participant in all sports competitions. The teacher provides different forms of group activities for students, motivates children to study foreign languages, organizes self-assessment and self-control. She distributes educational materials developed for students based on cognitive interest and the level of intellectual development of children. The activities of the teacher are focused on the process and learning goals.

Her lesson is constantly presenting consolidation and repetition of training materials, the control of knowledge of students. During the lesson the teacher often changes types of work, using a large arsenal of instructional techniques.

The teacher conducts diagnostic work that allows her to personalize the teaching system in the framework of a student-centered education. Irina Azarova is a sociable, emotional, self-confident, open to dialogue, optimistic teacher. She has a great respect among her colleagues, students and parents. Without a doubt Irina Azarova is a leader in the organization and implementation of new methods of teaching and organizing after-school activities.
