Respected Teacher,

We write you this letter to express our high appreciation of the Skype Conference we held on April 7th, 2017.

Our students enjoyed the conference and the different activities presented by your students. They were impressed by the different cultural aspects that shape Russia as a country. They appreciated the language spoken, the costumes, the language activity and the songs. It was an unprecedented experience for them to meet students from your country.

The activity gave the students a great chance to acquire further knowledge about your country and its culture. They were eager to learn more about it and about its cultural and linguistic features. They really enjoyed uttering and saying some Russian words.

Eventually, we would like to thank you for your commitment and seriousness in having a partnership with our school. This will be of a great help for us to broaden our students' minds about other activities and to share further experiences between the two countries: Tunisia and Russia.

Thanks for sharing your activity and showing this high sense of collaboration. You are an excellent partner. We hope to share other activities and strengthen our partnership in the future.
