

It is with much gratitude that we present this certificate to:

Rector of Kazan State Medical University, D.Sc., Professor Aleksey Stanislavovich Sozinov

Your dedicated efforts contributed substantially to the success of International Adolescent Health Week 2022 in Russia and far beyond. Thank you for your partnership and leadership in bringing International Adolescent Health Week to adolescents in your country. You all are true champions for adolescent health and well-being.

A handwritten signature in black ink, appearing to read 'Laura A. Offutt', is written over a light gray rectangular background.
