Публикуется по изданию:

От редакторов

В основу настоящего издания избранных фортепианных произведений П.И. Чайковского положен текст академического издания (Чайковский П. Полное собрание сочинений, т. 51-а, 51-б, 52, 53). Учитывая, что автор в процессе публикации вносил в текст некоторые изменения и уточнения, редакторы пользовались при работе также рядом других изданий сочинений Чайковского, в том числе и пересмотренными автором изданиями Юргенсона.

Все авторские указания, касающиеся темпа, динамики, фразировки, а также аппликатуры и педализации, словом, все, взятое из текста подлинника, напечатано крупным шрифтом; все добавления, как сделанные в новом издании Юргенсона и, по-видимому, авторизованные, так и принадлежащие редакторам, обозначены мелким шрифтом.

Published after: P. I. Tchaikovsky. Selected Works for Piano. Book 2. — Moscow, Muzgiz, 1949.

Editors' Preface

The present edition of Tchaikovsky's selected piano pieces is based on his Collected Works (Vols. 51a, 51b, 52 and 53). Since the composer often modified the music while preparing it for further publications, we have used also some other editions of Tchaikovsky's works, including those revised by Tchaikovsky for Jurgenson.

The author's marks related to tempo, dynamics, phrasing, fingering and pedal — in short, all the marks found in the original text — are printed in large characters. All the supplementary marks, both those from Jurgenson's new edition (most probably approved by Tchaikovsky himself) and those added by the present editors, are printed in small characters.
