

The perfect size of premium  
megayachts for MICE&Charters

 **SWAN  
HELLENIC**

# Course for success

- Shipowner and cruise operator of its own fleet;
- 3 newest expedition megayachts of high polar class;
- Worldwide geography;
- Expedition and cultural cruises;
- Educational program and built around the itinerary;
- “Ultra All Inclusive” system;
- Personalized service on board - guest to crew ratio close to 1:1;

Creatively conceived  
and designed specially for expeditions

Visiting remote and inaccessible corners of the world even in the absence of onshore infrastructure

The compact size of the vessel allows you to visit the smallest bays and narrowest straits

Safe and comfortable landings  
on Zodiac boats

 SWAN  
HELLENIC

Navigation in “expedition mode” provides maximum opportunities for exploration

Flexibility in daily routing and schedule

Accustomed comfort and service  
surrounded by elegance  
regardless of the itinerary

 SWAN  
HELLENIC

Unrivaled Ultra All Inclusive system

 SWAN  
HELLENIC

Private and friendly atmosphere  
in the company of like-minded people

High-quality educational program built around the itinerary: the-best-in-their-field invited experts and lecturers

# Experienced crew

# MICE & Charters

# Library and Expedition Office

Every Swan Hellenic cruise is an ocean of opportunities to develop creative passions.

Our Library features has a large selection of literature on a variety of subjects from history and geography, to biology and astrophysics, photo books, rare and albums editions, books about voyages, great geographical discoveries and destinations we visit.

Here everyone can find a book according to their interests. For the youngest passengers there is a plenty of books about the Arctic and Antarctic. The Library also offers a large selection of board games.

Area 42 sq.m.  
Capacity 9 guests

# Expedition Lab

 SWAN  
HELLENIC

Area 29 sq.m.  
Capacity 12 guests

# Art on board

Thanks to the art on board, during a voyage you can make several journeys at once: a large geographical journey over the world, a medium journey within the ship, and a small journey over one's inner world.

The works of art here are not objects of pilgrimage, they are organically embedded in the environment and live their own life near you throughout the journey.

# Art on board

# Art on board

# Base Camp

The perfect place to start and end every excursion.

Here the Guests are helped to prepare their expedition outfit before disembarkation and leave the outfit for further cleaning, disinfection and drying after the landing.

76 lockers  
Area 128 sq.m.  
Capacity 40 guests

# Base Camp

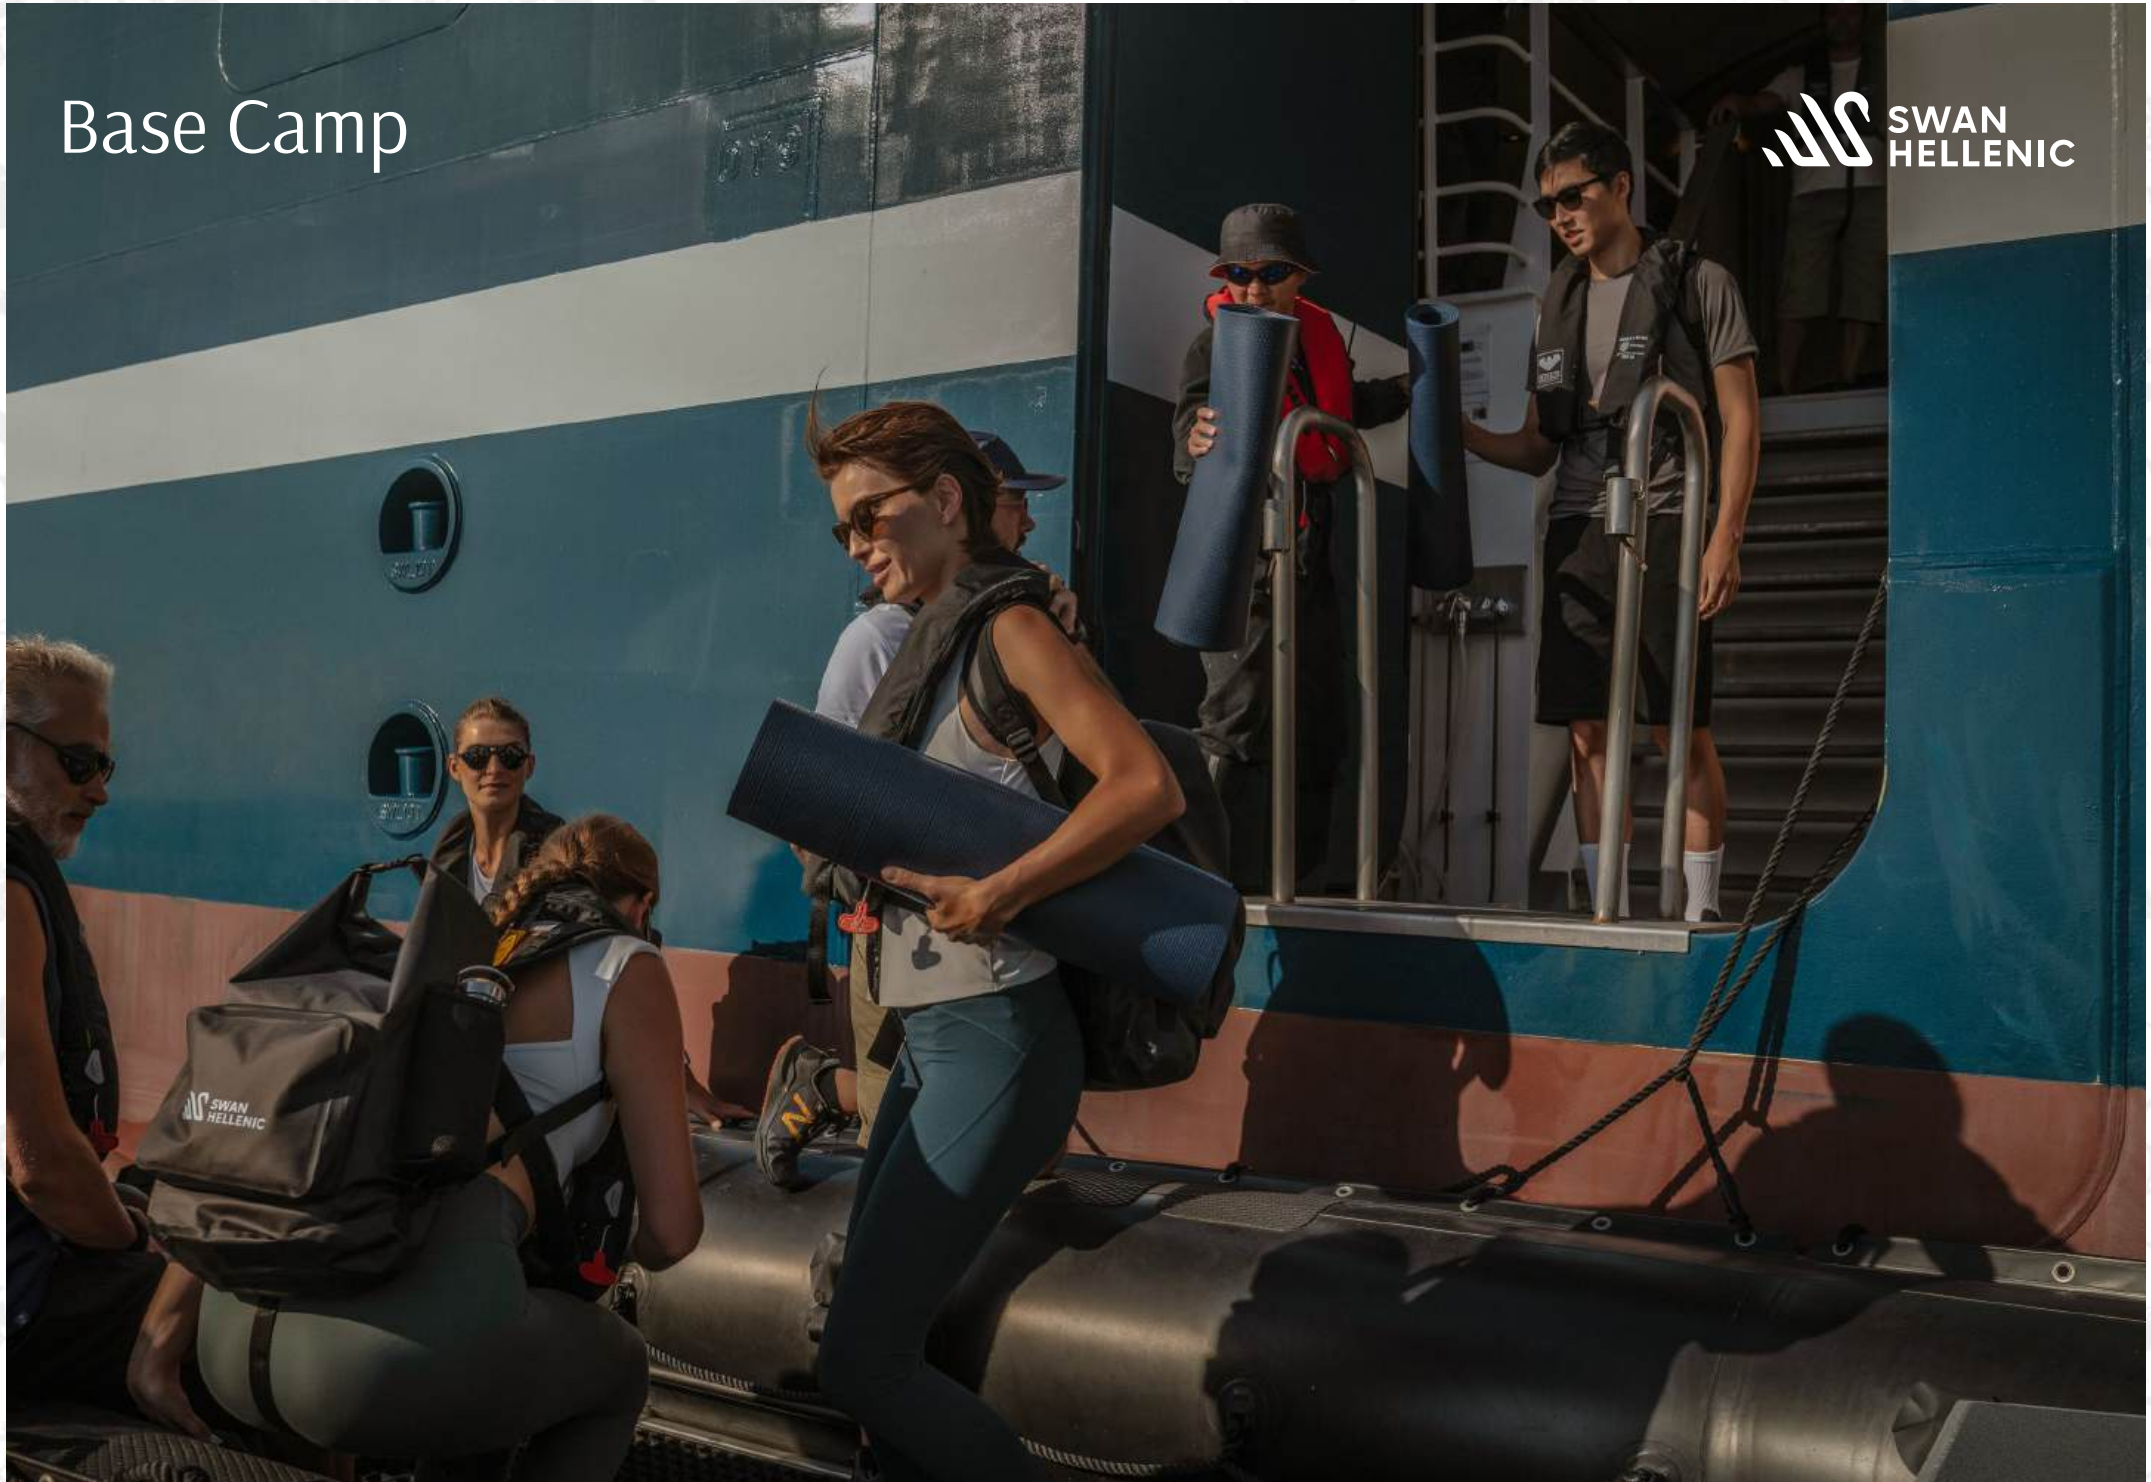

SWAN  
HELLENIC

The lobby's elegant interiors feature a signature design with natural textures and tones. You can always relax and share impressions with a warming cup of coffee in hands after your landings.
