

INSTRUCTIONS – PRINTING, MATERIALS & CUTTING

Print this PDF file on A4 using the “normal page setting”. Cut out the pattern pieces along the grey edge and glue them together in numerical order. Materials: Jersey, interlock or lightweight knit fabrics Main fabric 1 – For a fabric width of 140 cm (55 in): 155 cm (61 in) Main fabric 2 – For a fabric width of 190 cm (74.8 in): 75 cm (29.5 in) Cuff/rib knit (hem + sleeve hem) – For a fabric width of 90 cm (35.4 in): 35 cm (13.8 in) The pattern does not include seam allowances! Cut with a 1 cm (0.39 in) seam allowance. Fold the fabric in half (on the fold) and cut out the pattern pieces according to the labeling. If the pattern is to be made in a thicker fabric, e.g. sweat or fleece, it should be cut two sizes larger.
