FACE SHAPING

We pull the yarn that we put on the corners of the eyes from the back of the head.

White of the eye; With white yarn; we embroider in the form of an arc, starting from the lower part of the eye and reaching the outer side of the eye.

Eyeliner and Eyelashes; With black yarn; we start from the upper inner part of the eye and embroider 1 row diagonally from the outer part of the eye. We embroider the eyelash detail at the tip.

Nose; We embroider 4sc wide at the lower level of the eyes. There will be 2 sc between the eyes and the nose.

Mouth; We embroider 5 rows below the nose, at nose level, with a width of 5 sc.

Muscles; We embroider on 4 rows of the eyes. With brown yarn, 3sc forward from the eye spring; We embroider diagonally down 1 row, 3sc wide.

We color the cheeks and nose.

HEAD

We attach the eyes to the chain spaces on the 22nd row. There should be 9sc between the eyes before the eyes are attached, and 7sc after the eyes are attached.
