

FREEPACK812

All-in-one luggage-style sound system

Overview

FREEPACK812 is an all-in-one, luggage-style sound system combining in an ultra-portable, easy-to-use package everything musicians and other PA users need for playing: a full-featured mixer with digital effect and MP3 player, a powerful CLASS D amplifier, two full-range speakers and high-quality connection cables.

FREEPACK812 is a complete PA system that, even if compact in size, quick to setup and simple to use, is packed with a full set of features and delivers an unexpected sound quality for this kind of systems. The fully featured powered mixer, including a MP3 player with BLUETOOTH connection, is coupled perfectly with the two speakers in a stylish luggage-style package, making transport and installation quick and easy. A convenient and large compartment on the back of the mixer can contain all the connection cables and other accessories. Two high-quality PROEL speaker cables with ultra-durable 1/4" metal jack connectors are also provided.

The two speakers, hosted in lightweight PP cabinets, feature selected transducers and carefully designed crossover filters, which can provide a clean and defined sound together with an extended response and a high sound pressure.

Thanks to its versatility and portability, FREEPACK812 can be used in a variety of applications, such as live gigs for singers or small bands, education and sporting events, seminars and presentations.
