What's a holiday in the Amazon rainforest like? Well, come to Ariau Towers Hotel in Brazil and find out! The hotel is next to the beautiful Rio Negro, or "black river", and it is 60km from Manaus, the largest city in the Amazon. But it's not the location that makes the hotel unique. The hotel is 10-20 metres above the rainforest floor. That's right, it's a hotel in the trees!

The hotel has got eight large wooden towers with rooms for guests and many small tree houses. Eight kilometres of bridges join the different areas of the hotel. So, when guests at Ariau want breakfast, they don't go downstairs. They have to leave their rooms and walk along small wooden bridges to the Ariau restaurant!

And simply walking around the hotel is like being in a huge zoo! You can watch the colourful parrots and monkeys in the trees of the rainforest. Then there are extraordinary activities for guests to try. Guests can swim with dolphins, take a boat ride to see alligators or go on a rainforest tour and learn which plants they can use as medicine.

At the end of the day, guests can have dinner in one of the hotel's restaurants and they can try lots of delicious

Brazilian meals. After dinner is a good time for guests to have a coffee in a tree-top café and watch the wildlife. Guests can sit outside, but they have to watch out for the playful monkeys. They like to eat the hotel food too! At Ariau Towers, the staff want guests to feel welcome and have an amazing experience. Erik the Red

For the Vikings, the greatest achievement for any man was to do something great in their lifetime so that people remembered them after their death. To achieve this, some Vikings sailed the seas in search of treasure and new lands. One of the most famous Vikings is Eric Thorvaldson. He achieved fame as Erik the Red, the man who discovered Greenland.

Erik the Red lived between 950-1005 AD. He got his name from his bright red hair and beard, and his hot, fiery personality. For the first part of his life, Erik lived happily in Iceland. His adventures started in 981, when he had a fight with his neighbours and killed two men. Local people were very mad. They told Erik to leave the country for 3 years. Erik and his family had no choice. They left Iceland and sailed off into the huge Atlantic ocean.

Erik sailed west from Iceland to look for a new island to live on. However, he sailed so far that he discovered something amazing. A new country! Erik spent two years exploring the new country. The land was mostly covered in ice, but he found

a few green areas and decided to found a colony there. To begin his colony, Erik needed help. So, in 985, he returned to Iceland to tell people about his “wonderful” new land. Erik called his new land Greenland to make people think it was a nicer place to live than Iceland. Many people were interested in the new country. When Erik sailed back to Greenland in 986, 25 ships with 500 men and women and many animals went with him.

The Vikings started two colonies in Greenland. To survive, they farmed sheep and cows, hunted polar bears and whales, and traded whale bones and bear skins. Thanks to their farming and hunting skills the colonies grew and grew. By the year 1000, about 3,000 people lived in Greenland. For the next 500 years, Vikings lived in Greenland. Then, the Vikings left, and no one really understands why. But Erik the Red is still famous as the man who discovered and named Greenland!

1 The Egyptian Magic cruise ship has a fantastic variety of facilities available. For example, there is not one, but five restaurants. Have lunch in our top-quality restaurant or enjoy a snack at one of our cafés. The choice is yours!

2 There's always something to do on the ship. A whole floor of basketball and tennis courts keeps exercise lovers happy. There's a modern gym and two large swimming pools too.

3 For those who want a more relaxing holiday, there's a beauty salon and spa on the 4th deck. Lie down, relax, and enjoy a back or foot massage from our top beauty professionals.

4 In the evening, the fun continues late into the night! The ship has got a cinema, a small theatre, and a disco with live music. Watch the latest films, a play, or dance the night away!

5 Our first stop is Port Said. From here we travel to Cairo, to visit Egypt's most famous monuments – the pyramids. The pyramids are over 4500 years old. Seeing them is an incredible experience.

6 The next stop is Safaga. Here it's time for a desert adventure. Spend a day riding a quad bike across the golden sands of the Egyptian desert. Stop for tea with a Bedouin tribe before you speed back across the dunes!

7 Before we leave Safaga, there is time to visit a busy local market. Egypt has always been famous for gold, and here is a great place to buy some beautiful gold jewellery. You can also buy lovely silver dishes. They make great souvenirs!

8 Our last stop is the seaside city of Sharm El Sheikh. With it's warm blue sea and bright coral reefs, this is a great place for scuba diving. Dive down into a sea world more exotic and colourful than you could possibly imagine!
