Dear Mother
I have just received your
kind letter of the 18th and
was glad to hear from
you and to hear that you
were all well. I am
well at present and hope
these few lines will find
you all the same. I have
not much news to write
at present. I am still
in the same place and
doing the same work.
I have not much news
to write at present.
I am still in the same
place and doing the same
work. I have not much
news to write at present.
I am still in the same
place and doing the same
work.

I am well at present
and hope these few lines
will find you all the same.
I have not much news
to write at present.
I am still in the same
place and doing the same
work.
