regnum
regnum

It is the scale of observation which
creates the phenomena.
All phenomena are in reality the
manifestation of the same basic
phenomenon the motion of the
electrons -

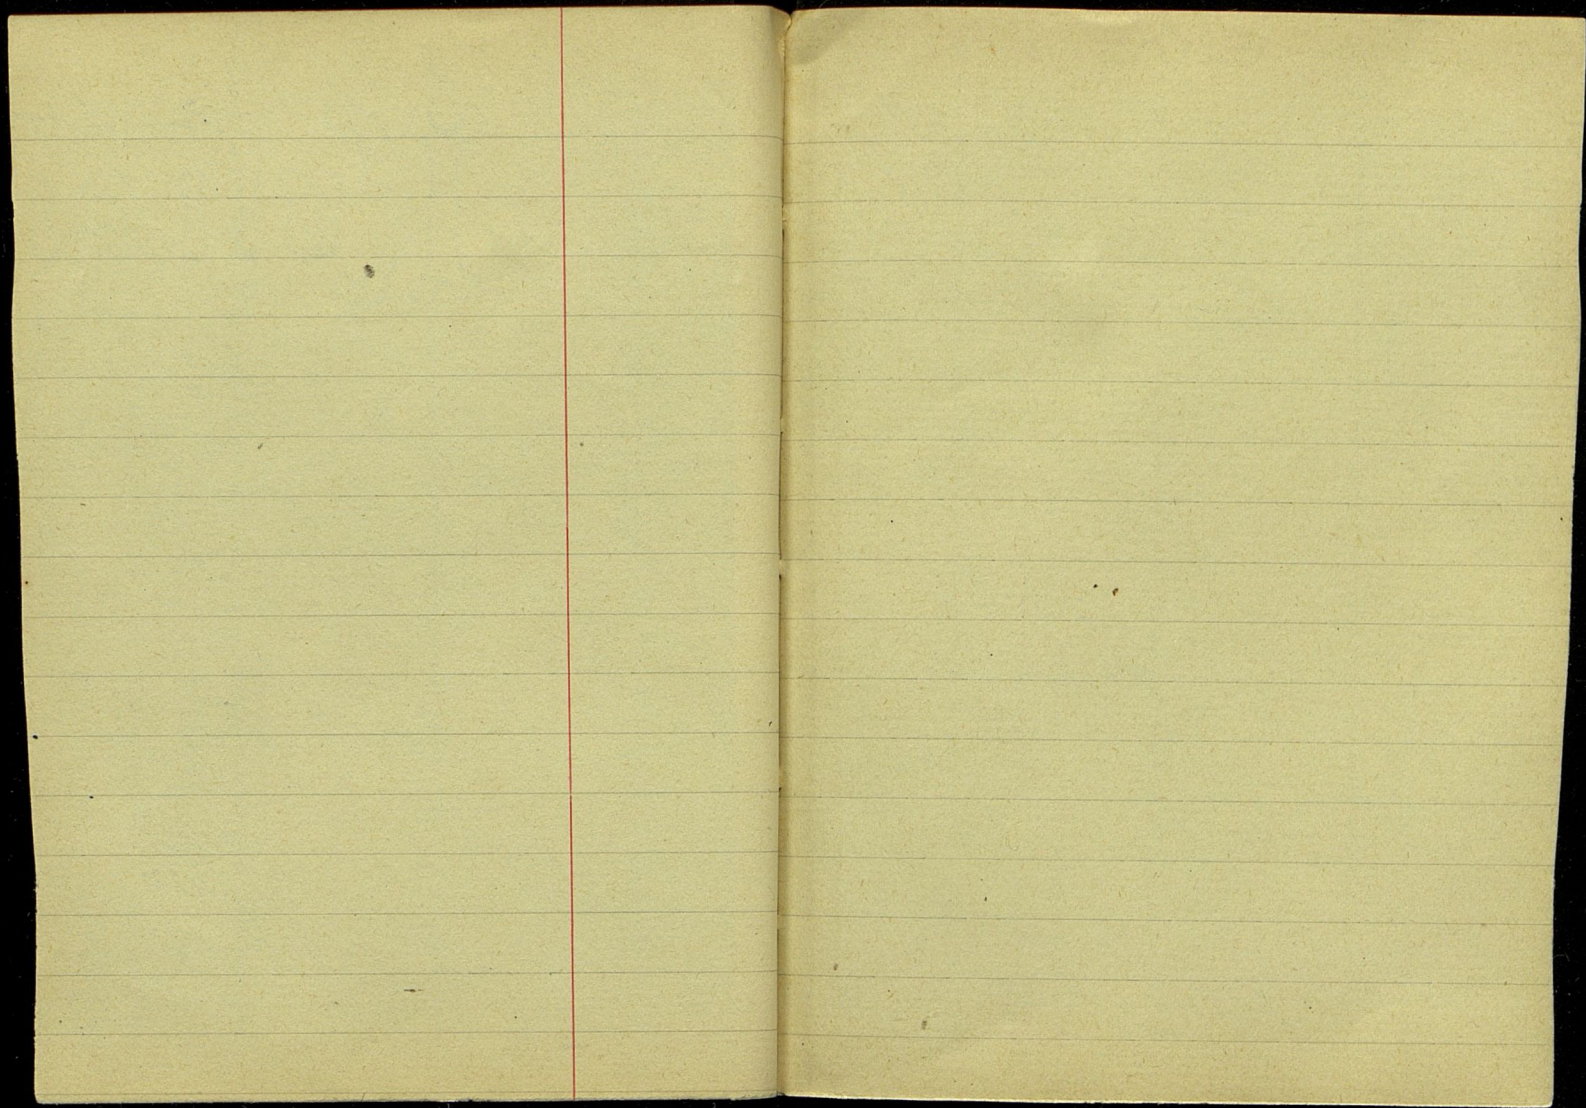

The aim of science is to find

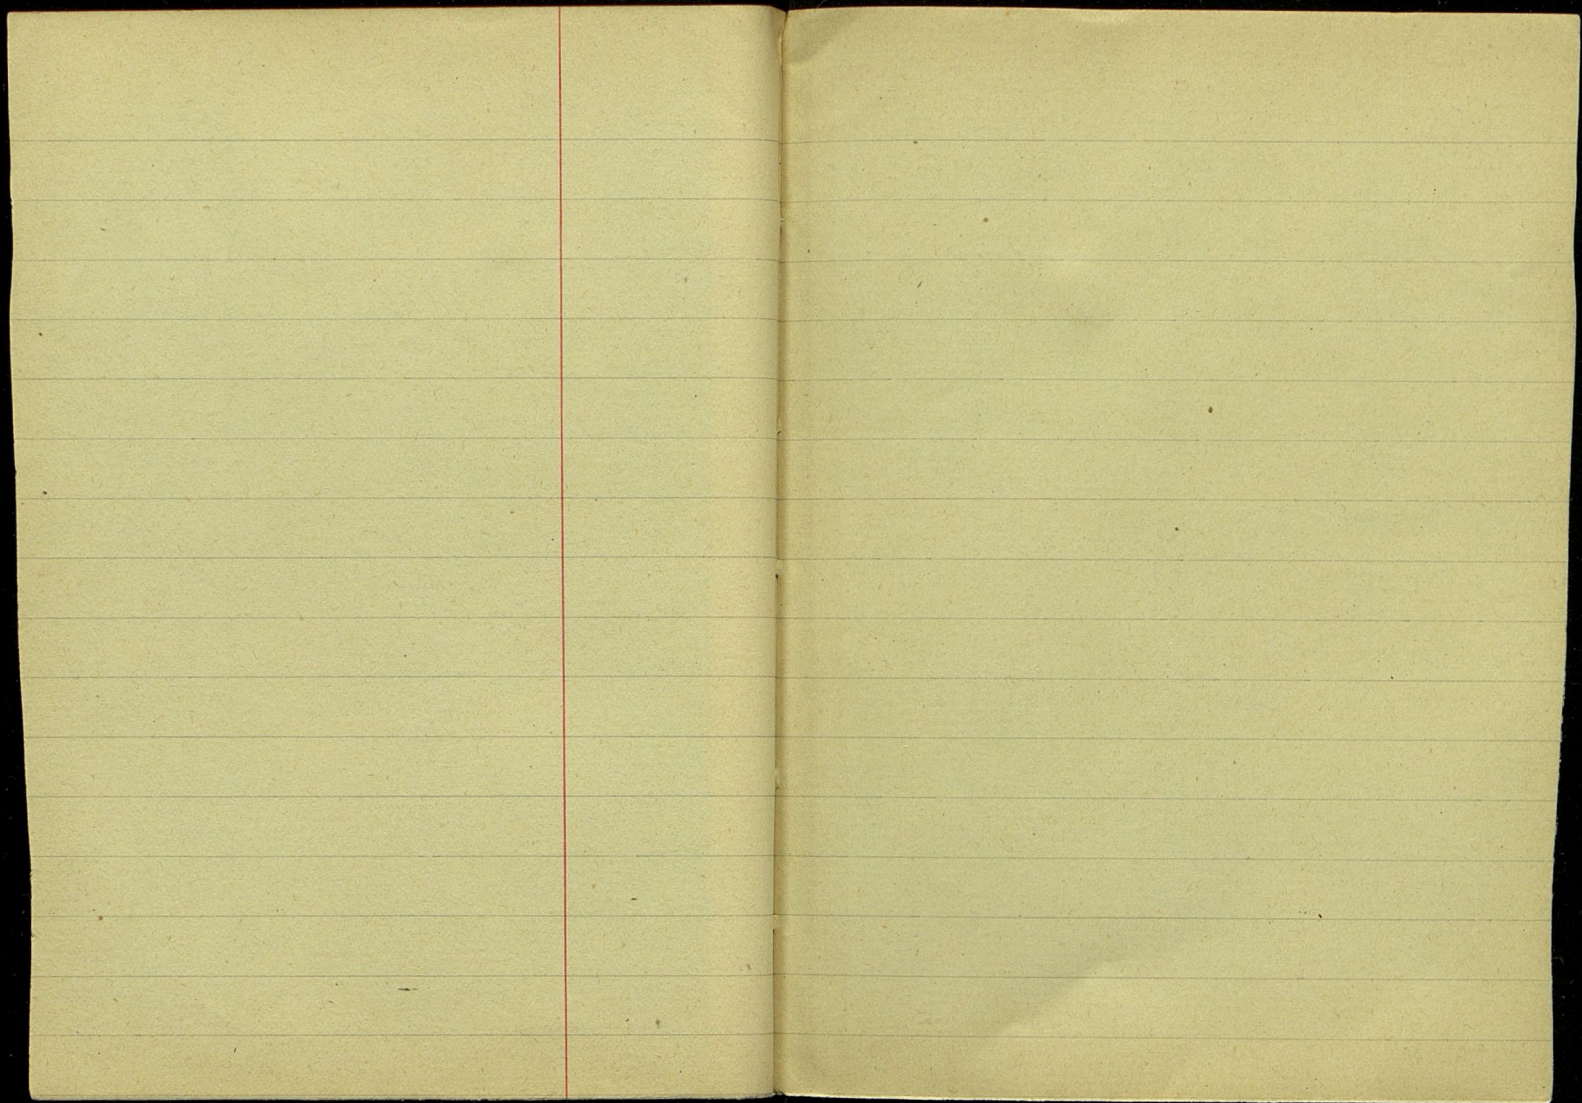

57

Ergoteur - nyudafa

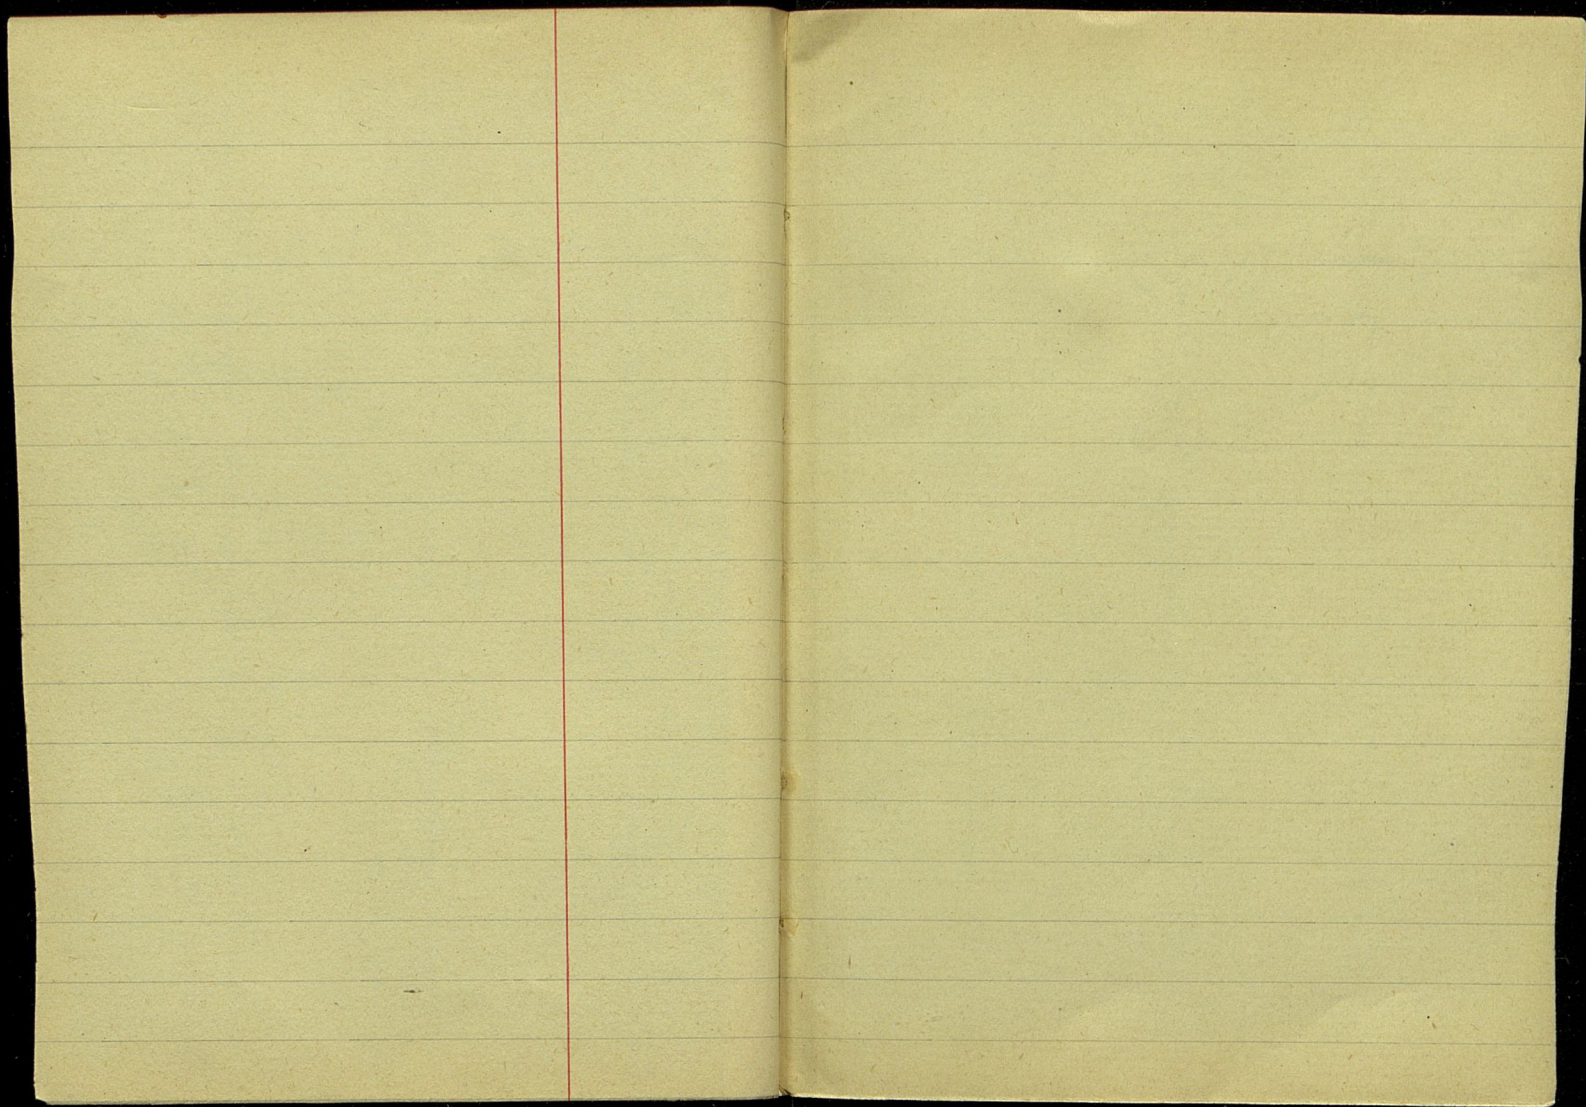

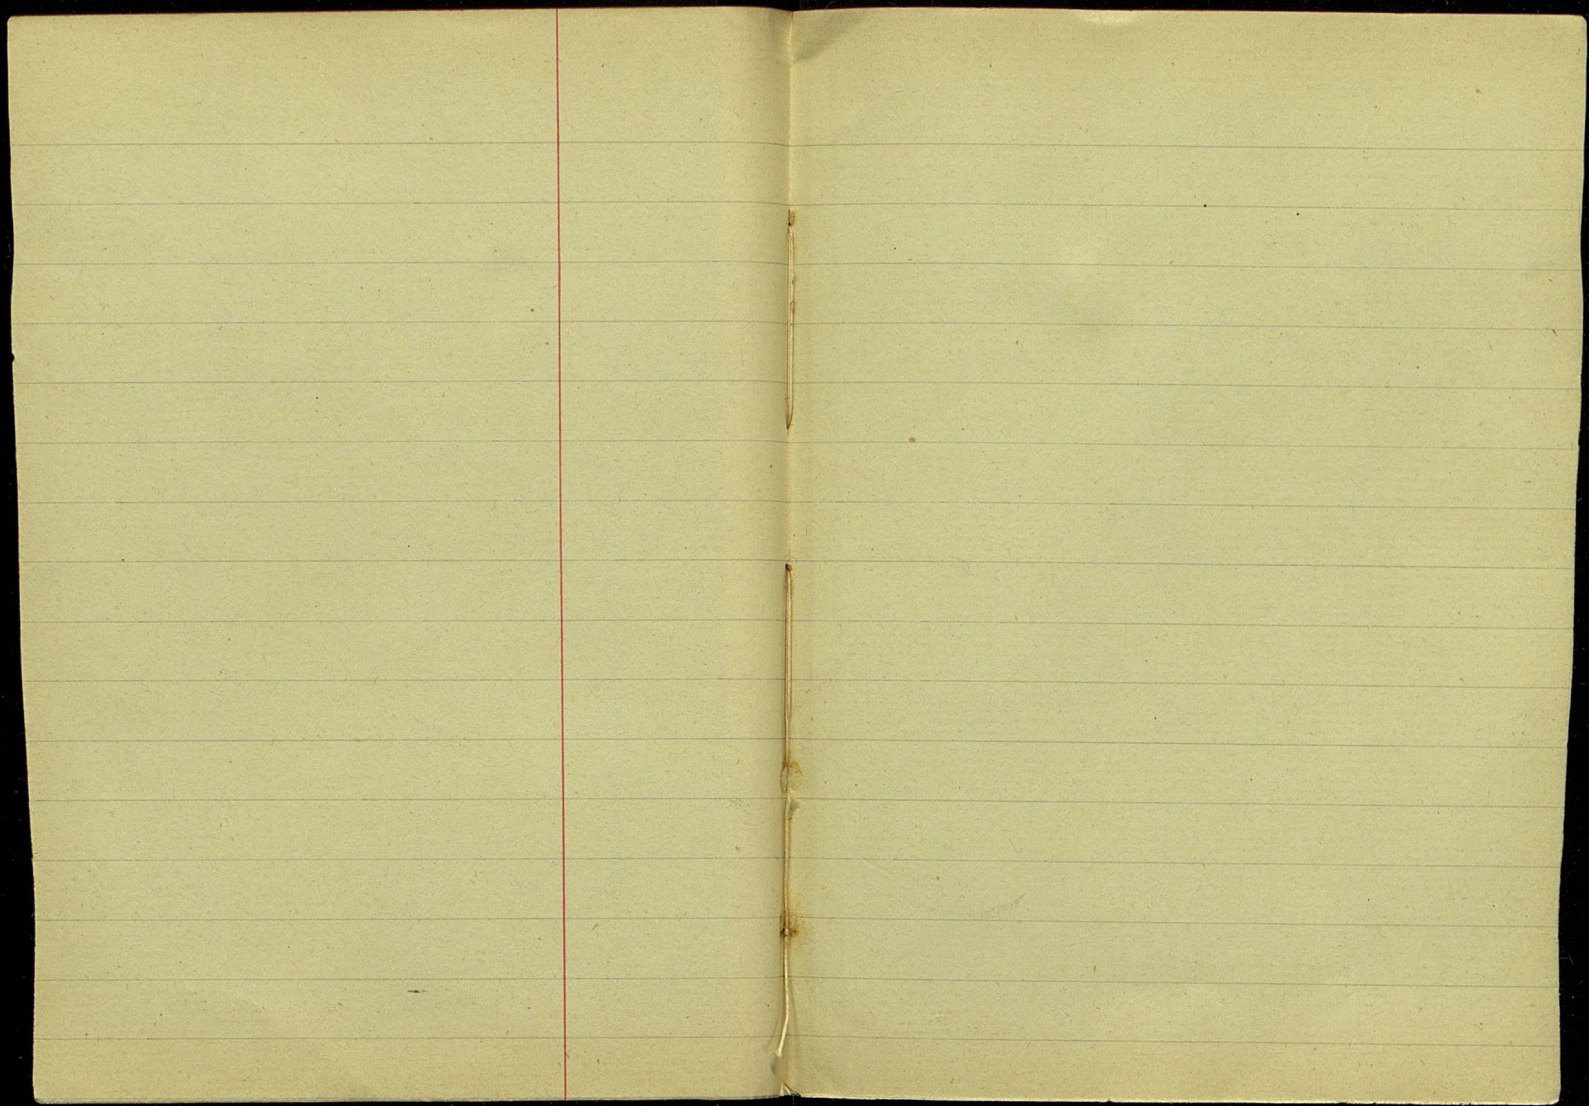

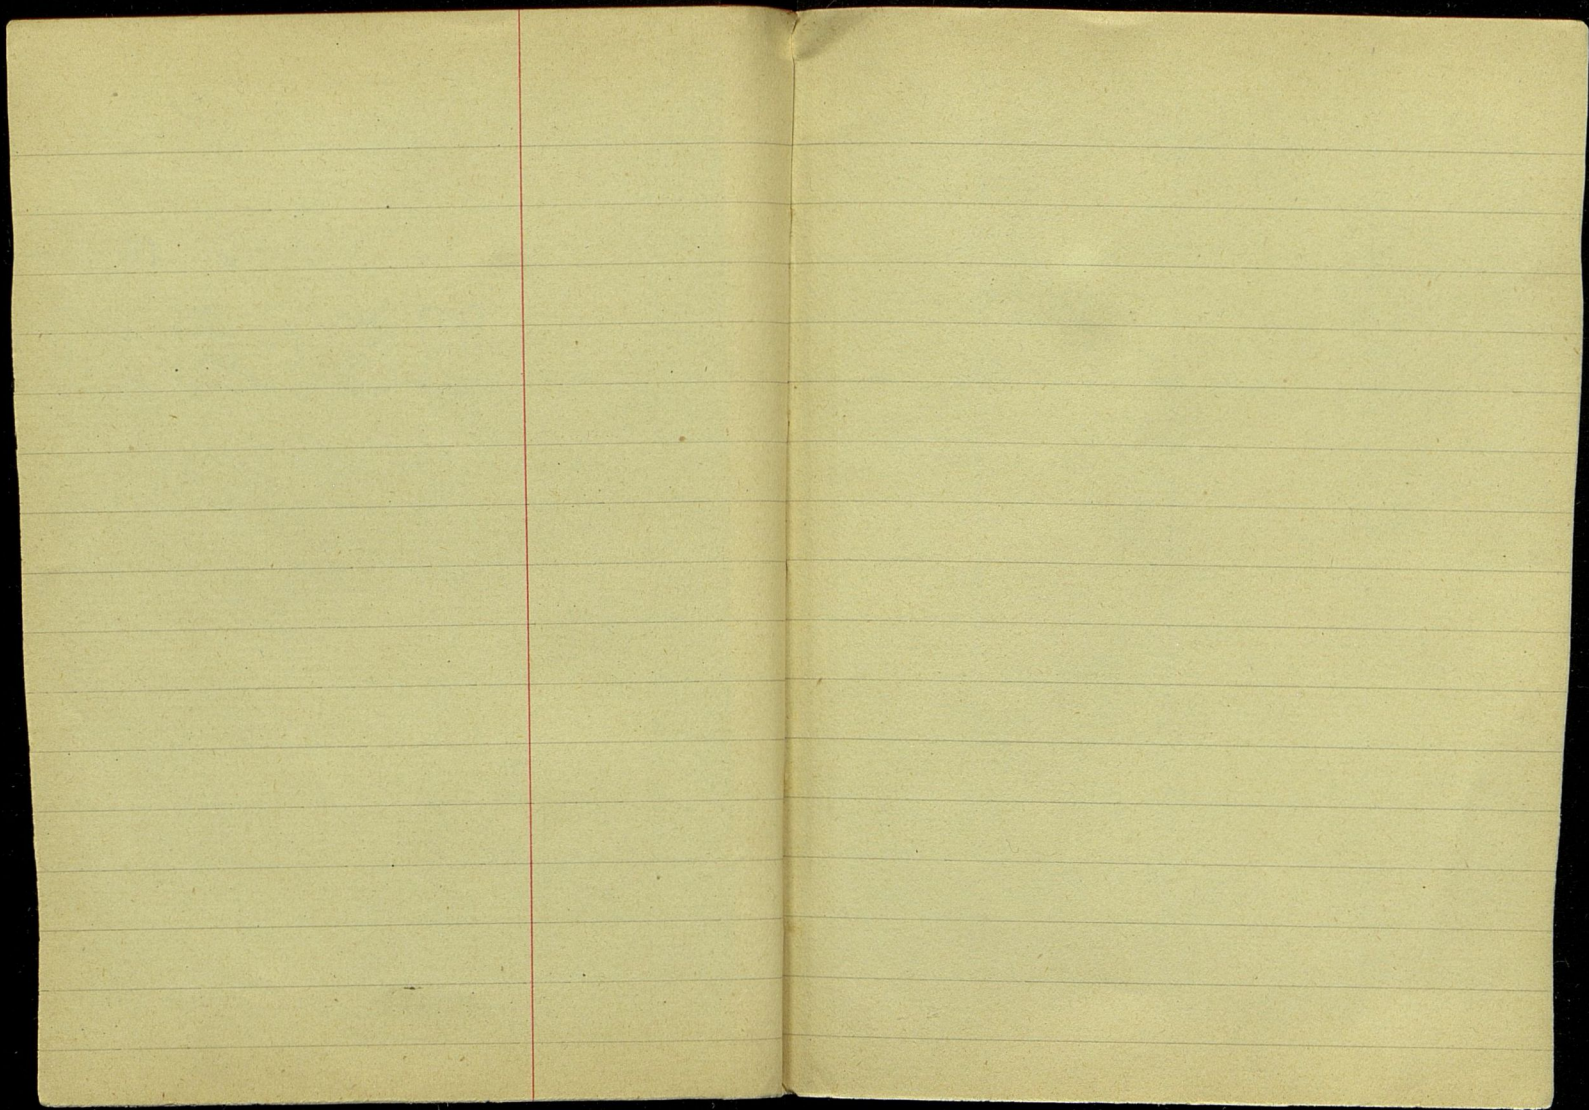

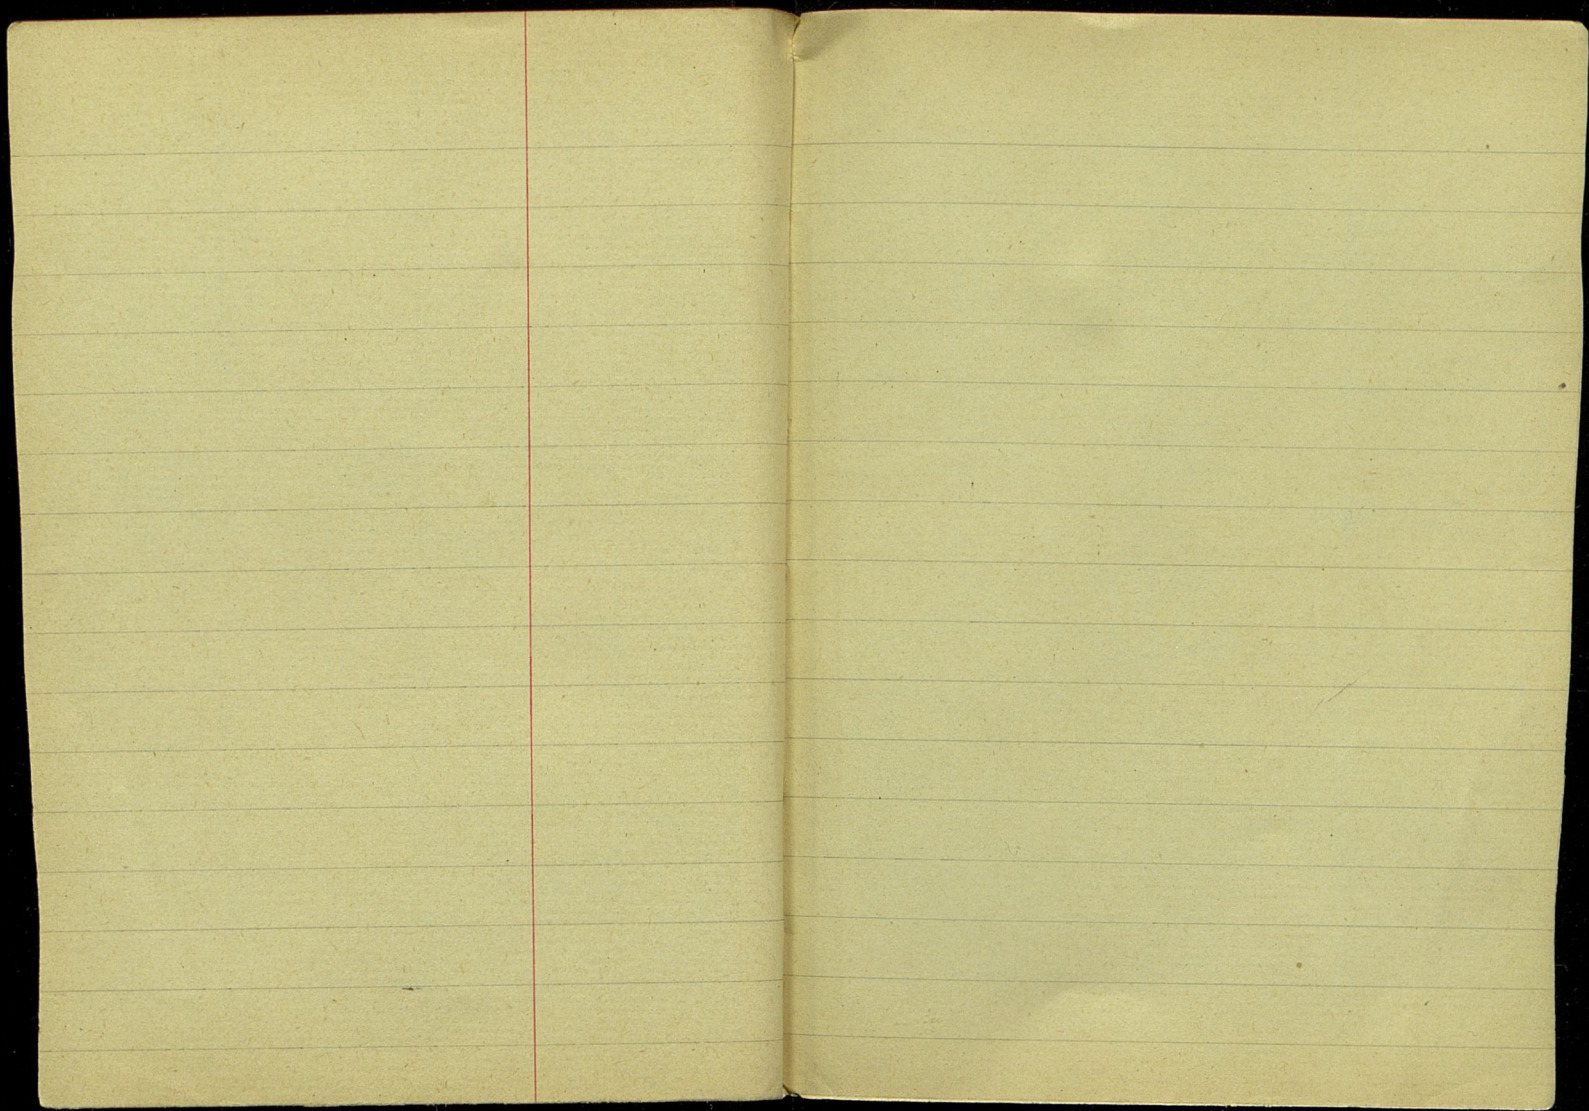

58

Man is arrogant in proportion to
his ignorance —

Everything lies and perishes through May
return —

Never utter these words — "I do not know
this — therefore it is false" — One must study
to know; know to understand, understand
to judge" — Parada —
