

# FROM THE FOUNDER OF THE #VIKISEWS BRAND

---

Back in 2016, when I was working on my first set of sewing instructions, I was trying to write them in such a way that even a complete beginner could easily understand and use them to create their very first garment. These instructions laid the foundation for the Vikisews brand, its vision and its mission. I wanted to create modern patterns with the utmost detailed and clear instructions.

Now, with each new collection we are constantly improving our instructions, amending them and adding more relevant details. By the time the final product reaches you, our drafters, correctors, and editors would have spent weeks perfecting every word and every photograph. If you compile a few of our instructions together, you will get a sewing manual that will assist you in sewing all kinds of garments at any difficulty level.

And I would be very happy if these instructions helped you to turn your hobby into a lifelong passion... Enjoy the process! Create your ultimate dream wardrobe! Wear your garments proudly for years to come!

If you have any questions, please contact us at [info@vikisews.com](mailto:info@vikisews.com) — we are always there to help.

# CUTTING LAYOUT

for sizes 34–42 in all heights

Important! Cut only one placket piece.

Machine-stitch the bust darts on the front piece, backstitching at the side edge.

Machine-stitch the waist darts on the front and back pieces without backstitching at the beginning and end of the seam. Tie the thread tails at the dart point into a knot and hide them inside the dart bulk using a needle.

**Attention!** For sizes 42 and larger, we recommend trimming the extra bust dart width.

To do so, mark a line at 1 cm (3/8") from the dart seam.

Trim the extra dart width.

Overlock the seam allowance, with the dart underside facing up. Tie the overlocker thread tails into knots and hide them inside the dart bulk.

Press the dart seams flat.

Steam press the darts, shrink out the fullness at the dart point on a tailor's ham.

On the front piece, press the bust darts upwards, and then press the waist darts towards the center front.

On the back piece, press the waist darts towards the center back.

To prevent imprints when pressing, slip a piece of thick paper between the seam allowance and the main piece.
