

PRIVACY POLICY

Effective date: November 22, 2019

This Privacy Policy (hereinafter, "Policy") covers any information about users of the Squadron.app website that may include personal data as defined by applicable laws and regulations (hereinafter, "Personal information"), which "Conscious Cars" LLC (hereinafter, "C-Cars") may obtain when you use the Squadron.app website (the "Service").

This Policy informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We, C-Cars, are the sole owner and author of Squadron.app website, use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this Policy.

Privacy and security of your Personal information are extremely important to us. When you use the Service, C-Cars processes your Personal information and ensures its protection in strict compliance with applicable laws and regulations of Russian Federation.

1. INFORMATION COLLECTION AND USE

We collect several different types of information for various purposes to provide and improve our Service to you.

TYPES OF DATA COLLECTED

Personal Data

While using our Service, we may ask you to provide us with certain Personal information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to:

- Email address;
- First name and last name;
- Phone number;
- Address, State, Province, Postal code, City;
- Photo (if applicable);
- (Geo)location information;
- Cookies and Usage Data;

Usage Data

We may also collect information how the Service is accessed and used ("Usage Data"). This Usage Data may include information such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

Tracking & Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.

Cookies are files with small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

- *Session Cookies.* We use Session Cookies to operate our Service.
- *Preference Cookies.* We use Preference Cookies to remember your preferences and various settings.
- *Security Cookies.* We use Security Cookies for security purposes.

Location information

We collect your location information only if you use the Service provided through the Squadron.app website. This data is used solely for the purpose of providing the Service and will not be shared with third parties except as otherwise provided in this Policy.

2. USE OF DATA

C-Cars uses the collected data for various purposes:

- To provide and maintain the Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so
- To provide customer care and support
- To provide analysis or valuable information so that we can improve the Service
- To monitor the usage of the Service
- To detect, prevent and address technical issues
- To inform you about new features and/or improvements of the Service

3. TRANSFER OF DATA

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

If you are located outside Russian Federation and choose to provide information to us, please note that we transfer the data, including Personal Data, to Russian Federation and process it there.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

C-Cars will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

4. DISCLOSURE OF DATA

C-Cars may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of C-Cars
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

5. SECURITY OF DATA

The security of your data is important to us but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

In most cases, Personal information is processed automatically without access to it by our staff. However, if such access is necessary, your Personal information can be accessed only by those C-Cars employees whose professional tasks require using this information. To protect your Personal information and ensure its confidentiality, these employees must comply with internal rules and follow protocols for processing Personal information. They are also required to follow all technical and organizational security measures protecting your Personal information.

C-Cars has also implemented adequate technical and organizational measures to protect Personal information against unauthorized, accidental or unlawful destruction, loss, alteration, misuse, disclosure or access and against all other unlawful forms of processing. These security measures have been implemented taking into account the state of the art of the technology, their cost of implementation, the risks presented by the processing and the nature of Personal information.

6. SERVICE PROVIDERS

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

7. CHANGES TO THIS PRIVACY POLICY

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
